CARE...

It's in our name and in our mission.

VNHC Home Health Services

As the oldest home health care agency in the area, we combine warmth and caring in the best nursing tradition, with the most advanced medical techniques and equipment available.

Fairfield County has been counting on us... since 1912.

VNHC will partner with you every step of the way from discharge to recovery.

We will coordinate all aspects of your care, and communicate regularly with your physician.

Call: 203-276-3000

We're here when you need us...
24 hours a day.

Our services include:

- Skilled Nursing
- Therapy Services
- Home Health Aide Services
- Medical Social Work

Call VNHC when:

- you are recovering from surgery or illness
- when therapy services have been prescribed for you at home.
- when you need help with daily activities such as bathing or dressing
- when you are caring for a family member and need help.
